SPRING 2012

HBA FREE MEMBER BENEFIT

THE MEMBER REBATE PROGRAM

The Member Rebate Program is the result of using the combined buying power of the Builders in the Association, combined with many other State Associations, to qualify for the same Manufacturer rebates the nation's largest Builders receive.

- The program does not require the Builder/Remodeler to change how they do business
- The supply chain is not affected
- No receipts are required
- A simple claim form is all that is needed to be filled out.
- Claims are filled quarterly for all homes or projects that are closed or completed.

The first step to get started is to register for the program. You can register online [here](#) or simply print the Registration Form on page 5 and fax it to our toll-free number, 800-977-5591. The current Rebate Claim Forms are [online](#) or on pages 6-9. **Sign up today and we'll make your membership retroactive to January 2012!** You can claim for any home, remodeling project, or multi-family units completed from January 1st - March 31st, 2012 that used any of the Manufacturers listed below.

PARTICIPATING MANUFACTURERS - Q1'12

MEMBERSHIP PAYS.

No one likes to leave money on the table. So, what would you think if you could get a rebate for your loyalty to many of the nation's leading Manufacturers? Well, now you can!

The Member Rebate Program is aimed at increasing your bottom line. For the minimal effort of informing us about the products you use, and telling us when you complete a home, you'll be putting money back in your pocket. When you participate in the Member Rebate Program, you can count on receiving checks every quarter!

www.HBArebates.com

BENEFITS OF PARTICIPATING

The biggest perk? Money. Cold, hard cash.

And all for just remaining loyal to many of the country's leading Manufacturers you already use in all of your homes or remodeling projects.

Lump-sum checks for closed homes or projects are mailed quarterly.

NO CHANGE NEEDED IN YOUR BUSINESS PRACTICE

Besides the money, that's the best part of the program – it relies on very little from you and doesn't change the way you conduct business. Best of all, you do NOT have to change the way you currently buy. We do the paperwork, collect the money and mail you the quarterly checks directly!

WHAT'S THE CATCH?

This is the number one question, after all why does a Manufacturer want to give you money? One of the reasons is that the Big Builders have been receiving these rebates for years. The Manufacturers know your brand loyalty and combined overall volume is greater than the Big Builders, but until now, there has not been a way to identify or reward the Custom to Midsize Builders. The Member Rebate Program takes advantage of the combined volume of the Builder Members in your State HBA, to provide you with the same benefits regardless of your size.

The other reason is that Manufacturers want to influence your buying decisions. They must rely on their distribution network to promote their products and many Builders leave the choice of the brand to their subcontractors. The Builder is the one that ultimately pays for all the products that go into their homes. That is why it is the Builder who receives the rebate. Therefore, when the Builder specifies the brand, the Manufacturers will benefit and the Builder is rewarded.

HOW TO CLAIM

If you had any homes, remodeling projects, or multi-family units completed from January 1st - March 31st, please complete the Rebate Claim Forms on pages 6-9.

Completing the attached Claim Forms are simple and take minimal time

How to claim:

- Fill out the claim forms for each home or project. This is the easiest way if you only have a couple homes or projects and the products used in each home or project differ greatly.
- Fill out one form and send in a list of closed homes or projects. This works well if you use the same products in each home or project.

No receipts are necessary (except Progress Lighting)

Submit the Rebate Claim Form(s) either [online](#), by email: info@HBArebates.com, toll-free fax: 800-977-5591 or via mail to our Claims Department at the address on the bottom of the Form.
